

## TWIN 220-CF

Supermarket Cooler / Freezer

### Product features

- Freezer / Cooler
- Occupies less floor space
- Increased reliability
- Low energy consumption
- Save on total expenses (operation plus investment costs)
- Bumper bars
- Static cooling
- Automatic defrost
- 2 cooling systems for redundancy
- Ticket strips as accessory

Island installation

Shelf as accessory

### Supermarket freezer in need of less floorspace

The TWIN range, with its double cooling system, features innovative design. It reduces the amount of floor space needed and running costs, whilst increasing reliability. Instead of putting two freezers back-to-back, the TWIN is built as a single unit with no partition.

The result is more space for content with a smaller footprint. The units are ideal for supermarkets or grocery stores with limited space, as they have the same volume in litres as two standard freezers of the same length, despite less depth. The space-saving can be used for more rows of freezer islands or to make more room for customers.

Automatic defrosting and LED lighting are of course standard. The range also features a flexible version, able to switch between cooling and freezing.

Design and Material		Measures and Content		Power and Consumption	
Number of lids	2	Temperature Range	°C -24 to -18 / -1 to +15	Energy Class	C
Lid No & Type	2 curved sliding temp. glass lids	Climate Class	3	Energy Arrow	
Basket No & Type		Gross / Net Weight	kg 251 / 198	Energy Consumption	kWh/24h 9,2
Dividers	Divider system	Gross / Net Volume	l 1697 / 1255	Annual Energy Consumption	kWh/year 3358
